**LOBBYING PROHIBITION:** Due to grant funding for this event, LOBBYING ACTIVITIES ARE NOT ALLOWED. This means participants may not lobby for particular active legislation (or bill) during any part of the event. The event is an educational event focused on raising the visibility of AAPI communities and to provide AAPIs introduction to state government and legislators. Discussions of topics (civil rights, health, etc.) with legislators and expression of ideas that are general in nature are acceptable. If you have any question, please speak with your regional contact person.
