

ENGLISH AND PATHWAYS FOR HEALTHCARE PROFESSIONALS

Were you trained as a doctor, nurse, pharmacist, therapist, social worker or in another healthcare profession before you came to the U.S.?

Do you want to go back to your healthcare career but need assistance improving your English and learning about the U.S. healthcare system?

The **FREE English and Pathways for Healthcare Professionals** program can help.

A TEACHER AND CAREER COUNSELOR WILL HELP YOU:

- Learn medical terminology and work-related English
- Access an on-line course, "Medical Terminology: A Word Association Approach"
- Learn about the U.S. healthcare system and how to get a job
- Option to have foreign credentials verified, evaluated, and compared to Ohio licensing standards
- Develop your career pathway plan that builds on your healthcare background and experiences
- Network with healthcare employers
- Free Basic Life Support (BLS) training and certification

For more information and to register for this program, contact:
